Description
This product is designed specifically as a general non-acid cleaner and disinfectant for use in homes, hospitals, nursing homes, schools, food processing plants, food service establishments, transportation terminals, office buildings, manufacturing facilities, lodging establishments, retail businesses and athlete/recreational facilities where housekeeping is of prime importance in controlling the hazard of cross contamination. It is formulated to disinfect hard, non-porous, inanimate environmental surfaces such as floors, walls, metal surfaces, stainless steel surfaces, glazed porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs, and cabinets. For plastic and painted surfaces, spot test on an inconspicuous area before use. May be used in the kitchen on counters, sinks, appliances, and stovetops. A rinse with potable water is required for surfaces in direct contact with food. In addition, this product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, basements, restrooms and other areas which are prone to odors caused by microorganisms.

Packages Available:

1 Qt

1 G

TECHNICAL INFO:		
Physical Properties	Appearance	Clear
	Color	Blue
	Odor/Fragrance	Linen Fresh
	pH	11.0-12.0
	Freeze/Thaw Stability	Good
Environmental Profile	Glycol Ether Content	Yes (E Series)
	Biodegradability	No
	Chlorinated Solvents	None
	Green Status	None
	Recyclable Packaging	Yes
Regulatory Compliance	% VOC By Weight	0.0
	VOC Restricted States	None
	Food Processing Suitability	N/A
	EPA #	1839-83-10807
	Flammability per CPSC	N/A
	Flash Point	None to Boiling

Label Datecode: 05/03
