BRAKE & PARTS CLEANER EF A00732

This highly active solvent blend provides maximum performance in a brake parts cleaner without the use of ozone depleters or chlorinated solvents. Powerful blasting spray easily removes brake fluid, grease, oily dirt and contaminants from linings, pads and drums, cylinders and springs without disassembling the brake unit. This special formula is also suitable for cleaning equipment, tools plus parts and meets or exceeds all current V.O.C. requirements.
