

MRO HIGH SOLIDS INDUSTRIAL COATING - GLOSS WHITE T93000

This is a high solid industrial coating with a low solvent, maximum quality and performance formulation. It has single coat hiding power, and saves time and money. One 20-oz size can (16-oz net wt.) covers the equivalent of four economy brand low solids, 16-oz size cans. **MRO** paints were tested best in corrosion protection against the competition by an independent laboratory. They have outstanding hardness and durability, and resist abrasion and heat.
