

**POWERFUL "FOAM GUN" SPRAY
ENVIRONMENTALLY FRIENDLY
BIODEGRADABLE**

A unique aerosol foam which enables simple and easy degreasing of tools, parts, workbenches, vent covers, machinery, coils, industrial equipment, concrete and more! Sprays as an engulfing, heavy-duty foam that clings to surfaces and provides extended degreasing contact time. Contains super-powerful, water-soluble, grease-dissolving agents and detergents for instant mega-forceful degreasing action. Provides a self-indicating foam which quickly breaks down grease and grime and becomes discolored, indicating grease and grime are ready to be flushed away. Deodorizes as it degreases, leaving the area with a fresh citrus aroma.

USE ON: Greasy, Oily Machinery, Tools, Lawn Equipment, Construction Equipment, Road Equipment, Driveways And Parking Lots, Industrial Equipment, Air Conditioning Coils, Exhaust Vents and More!

DIRECTIONS:

SHAKE WELL BEFORE USING. For best results, spray directly onto greasy surfaces. Look for self-indicating foam to become discolored, then flush with water stream. For difficult to remove contaminants, allow foam to remain on surface for several minutes before flushing. Repeat application as needed. A stiff bristled brush may be useful for loosening stubborn deposits.

MADE IN THE
U.S.A.

CAUTION: Contains Citrus Terpene (5989-27-5), Liquefied Petroleum Gas (68476-86-8), Diethylene Glycol Monoethyl Ether (111-90-0), and Diethanolamine (111-42-2). NOTE: This product produces vapors that are flammable when concentrated or confined. Use only in well-ventilated areas. Keep away from heat, sparks or open flame. Allow areas where product has been sprayed to ventilate thoroughly before using or energizing equipment. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

For further information consult Material Safety Data Sheet.

**KEEP OUT OF REACH
OF CHILDREN**

FIRST AID: IF EYE CONTACT: Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately. **IF SKIN CONTACT:** Wash with soap and water. If irritation persists seek medical attention. **EXCESSIVE INHALATION:** Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration. **IF INGESTED:** Do not induce vomiting. Seek medical attention immediately.
