

SUPERFILM ENGINE OIL G00412

This product is an outstanding universal CE/SG/HPD, extended drain engine oil that meets or exceeds all of the specifications for gasoline or diesel engines in mixed fleet operations. It is a highly refined crankcase oil that can satisfy many different oil requirements. It eliminates costly selection mistakes when determining the right oil for each piece of equipment. This excellent lubricant is engineered from top quality base stocks and a superior performance additive package that far surpasses the service requirements of engine manufacturers. This lubricant has been tested against the CCMC requirements for supercharged diesels in the Daimler Benz OM616 and MWM "B" engine tests. It also performs comparably to Europe's best turbo oils. It can add years of trouble free performance to engines, whether they be diesel, gasoline or L.P.G.
